Karl Warwick
Village Administrator

Fox River Grove, IL. Village Officials recently announced that registration is underway for the Metra Prepay Parking Program. The program will begin November 1st.

Commuters can now pay \$30 per month for unlimited parking at the Fox River Grove Metra Station when enrolled in the Prepay Parking Program. While enrolled in the program, the monthly fee would be automatically withdrawn, from a checking or savings account, on the first of each month.

If you would like to enroll in the Village's Metra Prepay Parking Program, please complete the Prepay Parking form, pay \$30 for the first month of parking and provide a voided check that is linked to a valid checking or savings account. At this point, you will receive a hangtag that must always be displayed in your vehicle.

Hangtags will not be effective until November 1st, when the program begins. Until November 1st, commuters will still be required to pay the daily fee for parking. The initial \$30 payment will cover the first month of parking. After this, the monthly fee will be withdrawn on the first of each month, beginning in December.

"The Village is excited to offer this additional payment option, which will provide commuters with a convenience by not having to pay for parking every day," stated Village President Robert Nunamaker.
