### **Fox River Grove Road Program Receives Federal Funding**

**FOX RIVER GROVE**—The Village of Fox River Grove was awarded \$586,880 in Surface Transportation Program (STP) grant funding from the McHenry County Council of Mayors for the rehabilitation of Algonquin Road, Plum Tree Road and Doyle Road.

The total rehabilitation cost for the project is \$733,600, of which 80% (\$586,880) will be covered by STP funding, with the remaining 20% (\$146,720) being funded by the Village of Fox River Grove (\$129,114) and Algonquin Township (\$17,606).

"This STP funding greatly benefits Fox River Grove, as it will allow us to stretch our local road resurfacing program dollars further," said President Robert J. Nunamaker. "This award is a big win for the residents and business owners of Fox River Grove."

The STP is funded through the Federal Highway Administration, and provides flexible funding that is used by states and localities on any Federal-aid highway, bridge projects on any public road, transit capital projects, and bus terminals and facilities. The McHenry County portion of these federal funds is allocated locally by the McHenry County Council of Mayors. Fox River Grove's was one of three projects, out of twenty-eight in total, to receive the funding award.

Construction on the Algonquin Road, Plum Tree Road and Doyle Road project could begin as early as 2015 if advanced funding is made available to the McHenry County Council of Mayors from the Chicago Metropolitan Agency for Planning (CMAP), the agency responsible for distributing highway funds to various councils of mayors in the region.
