### **Village of Fox River Grove Offers Overweight Permit Purchases Online**

**FOX RIVER GROVE**— Effective November 1, 2016, the Village of Fox River Grove will be implementing a new process for securing overweight/oversize permits. The Village will be using an online-based permitting system called Oxcart Permit Systems ([oxcartpermits.com](http://oxcartpermits.com)). The Oxcart system allows users to obtain overweight/oversize permits for Algonquin Township and McHenry County, as well as a number of other nearby jurisdictions, and thus provides a substantial time savings for those obtaining permits in multiple locations.

Registration is easy and can be completed on the Oxcart website under the Trucking login/sign-up link ([oxcartpermits.com/user/trucking](http://oxcartpermits.com/user/trucking)). Once registered, individuals or companies will be able to secure overweight/oversize permits as follows:

- Access a simple-to-use online interface and request local permits.
- Paperless permits downloadable to your computer or any mobile device.
- Features an online, interactive mapping solution to assist in route selection.
- Online permit approvals pushed to your email inbox.
- Provide an easy, online payment system.

Paper form overweight or oversized vehicle permit applications will continue to be accepted at Village Hall.
