

Message from Village President Nunamaker

Due to circumstances surrounding the COVID-19 pandemic, I am taking the following actions in order to protect our essential Village employees and operations to ensure continued service for our residents and businesses.

Starting Monday, March 16th and continuing for the next 30 days or until further clarification of the situation, the Village Hall building will be closed to the public.

Furthermore, all Village sponsored group meetings will be cancelled during this time.

All community groups that use the Village Hall will need to temporarily find other locations.

Meetings subject to the Open Meetings Act will continue to be public, but the frequency will be curtailed. Please use all precautionary measures if you choose to attend a public meeting and refrain from attending if possible.

At this time, we are asking the public to conduct business online wherever practical. Utility bill customers wishing to pay their bill in-person can use the drop box at the front entrance to the Village Hall. Requests for service may also be submitted online through the Village's request for service system at [Request for Service](#).

Should you have questions or require any Village services please contact us at 847-639-3170.

Thank you for your understanding, and please do the following to help prevent the spread of COVID-19.

Wash your hands.

Keep social distance 4 to 6 feet.

Do not touch your face.

Additional resources are available at the following link: [COVID-19](#).
